Insurance Steps:

1. Have your doctor write a prescription recommending one of our products. Please specify item name and size. If your doctor is not aware of far infrared and negative ion technology, provide Richway Biomat literature.
2. Complete a Richway Order Form with the patient's name as the applicant. In large letters across the top of the form, write "Medical Receipt Requested". Put your name as the sponsor and leave the payment information on the form blank.
3. Fax or email the form to Richway, attention Doreen. If faxed, follow up with a phone call to ensure that the fax has been received.
4. The patient will receive a Medical Receipt from Richway then submits the **Medical Receipt**, **Doctor's Prescription**, and **Health Insurance Claim Forms** to their insurance company. Keep copies of all documents.
5. It is the patient's responsibility to follow up with their insurance company regarding the approval status.
6. If approved, the insurance company will send a check payable to Richway & Fuji Bio Inc. If the patient receives the check payable to both themselves and Richway & Fuji Bio Inc., they will endorse the check and forward it to Richway & Fuji Bio Inc. The check must reference the RI Number from the Richway Order Form. The RI Number is located on the top, right hand corner of the order form.
7. After Richway receives the check, the order will be processed and products will be shipped to the patient.
